ANNOUNCEMENTS

George congratulates all members on their wonderful efforts at the Xmas Fair of Dec 4, and a huge round of applause for John Barry for all his work, not only on the day, but throughout the year in bringing the event together.

Congratulations to Murray and Irene for winning the 3rd prize raffle, 1st prize Tim Connolly and 2nd prize Gary Laidlow.

John thanks all club members, and their families and friends, for their attendance at the Xmas Fair, and help and support on the day.

Congratulations to Hazel for all her work in putting together a raffle extravaganza!

John suggests we need a major sponsor to assist in the development of stall structure for next year's fair.

Damien advises the Sandridge School Children made \$600 in donations with their hygiene boxes, and these have been collected by Robert Gillies for distribution amongst Melbourne's homeless.

Jordan has returned from the Ryla Camp and he and Joel, who attended last year's camp, will be guests speakers at a meeting in the New Year.

Billet NYSF students in Melbourne

As part of the travel to and from the January Sessions, some students will need to be billeted in various cities. Would you like to volunteer to billet students? It's a great opportunity to get to know NYSF students from across the country, and be involved with the program if you're not in Canberra.

In Melbourne, we're looking for people to host students overnight on these dates:

Sunday 1 January (students travelling to Session A)

Saturday 14 January (students travelling home from Session A)

Sunday 15 January (students travelling to Session C)

Saturday 28 January (students travelling home from Session C)

For more information, and to volunteer as a host, go

to <https://goo.gl/forms/vBwhE6oWICM4QCML2>.

Any people who billet are of course required to adhere to NYSF's Child Protection policies, and will be asked to complete a Child Protection declaration before being confirmed as a billet.
