### GUEST SPEAKER

#### Daniel Flynn

##### The Thankyou journey - a blueprint for turning ideas into reality

Driven, resourceful and determined, Daniel Flynn is one of Australia's most successful entrepreneurs under the age of 30.

He is the founder and managing director of the social enterprise Thankyou, which has given more than \$5.5 million to help end global poverty.

Thankyou's 50 products are stocked by major retailers in Australia and 100 per cent of profits go to funding water, sanitation, child and maternal health and food projects around the world. In nine short years, Thankyou has directly impacted the lives of 755,538 people in 20 countries, including Australia.

Daniel is also the author of best-selling book Chapter One, a story that generated \$1.4 million in sales in its first month using an unorthodox 'pay-what-you-want' model.

He is a genius at disruptive marketing and has received widespread media coverage for some truly unconventional and highly successful campaigns that led to Thankyou products being stocked by some of Australia's biggest retailers. He is an engaging and thoughtful speaker and his talks offer a blueprint for turning ideas into reality.

## LIFT THE LID *on mental illness*

Lift the Lid on Mental Illness is Australian Rotary Health's National annual fundraising day for mental health research.

The campaign, founded by ARH Vice Chairman Greg Ross, started in 2016 in partnership with Rotary Clubs of Victoria. The event was such a success that it has now been extended to all Rotary Clubs across Australia.

Each year approximately 1-in-5 Australians will experience a mental illness and in order to help future generations of young Australians, we need to look ahead through research and find out how we can prevent this type of illness occurring.

You can support this wonderful initiative by making a donation on World Mental Health Day, Tuesday October 10 to your local Rotary Club or to Australian Rotary Health. As we are also celebrating Hat Day, you are invited to hold an event and wear your most eye-catching hat.

For further information, please contact the Australian Rotary Health office on: (02) 8837 1900 or [admin@arh.org.au](mailto:admin@arh.org.au)

# World Of Difference Tours 2017-2018

World of Difference is pleased to confirm three exciting tours to Cambodia and Laos. If you or anyone you know is looking to get involved at an International level in something exciting and different then one of World of Difference's humanitarian adventure tours to Asia could be the perfect offering.

Over the next 9 months you have three exciting tours to choose from. Please take a moment to have a look and please pass this email onto any of your friends who you think may be interested: -

## **Cambodian Humanitarian Adventure Tour**

**13 Days from 5th of November 2017**

This tour is perfect for those who would like to roll up their sleeves and get involved in some humanitarian work. During this 13 day tour, you will visit Cambodia's spectacular tourist attractions including Angkor Wat and it's many temples, museums that capture the dark past of Cambodia during the cold war and get involved in humanitarian activities such as teaching at a school, building water filters or helping out at one of the legitimate orphanages.

## **Cambodian Humanitarian Family Adventure Tour**

**16 Days from 5th of January 2018**

This Humanitarian Tour is the perfect educational life experience for families to share whether it be parents and their children or grandparents and their grandchildren. Following a similar format to our November tour, this tour will provide families with an opportunity to experience Asian culture at the grass roots, as well as enable you to change the way our children think about the world, while making a World of Difference in the lives of those less fortunate.

## **Laos & Cambodia**

**16 Days from 20th of March 2018**

A unique opportunity to join our first WOD tour to Laos. We will be based at the world heritage Luang Prabang and attend the opening ceremony for the latest Rotary primary school project in the remote village of Ban Heuthan. This tour will not include the usual WOD hands on volunteering but rather will be an opportunity to experience the real Laos that is not often seen by tourists.
