"Many Rotarians recall being Club President as a great time, some so far as saying that it was the very best year in their Rotary life. It certainly was a great honour to be invited by your Club members to Lead the Club - the heart of Rotary. Some of us though felt a wee bit nervous at the responsibility and challenges. It is helpful that preparations start early for President Elects with invitations to Leadership Development opportunities. These have just occurred and were filled with laughter and conversation. Strategies exploring Leadership and success were shared."

These will be further developed during a multi-district weekend in bulletin follows after our President Elect Leadership Development last weekend.

Do you have the time to help Marketing and Public Image with Facebook posts?

The Public Image and Communications Committee are looking to recruit a member/s who can give 1-2 hours each fortnight to schedule current Networker stories and events for the District 9800 facebook account.

You only need to be competent with facebook and not an expert. Recent examples of posts are great templates to guide post creation. The most important factor is that stories and events are scheduled regularly as we have great content and need to ensure it gets shared across all our communication channels.

Please email publicrelations@rotarydistrict9800.org.au

PUBLICATIONS AND MERCHANDISE

Rotary has some excellent resources available for everyone but they are currently being underutilised. There have been a lot of enquiries from Rotarians on where/how they can access certain publications and merchandise. This often includes things like Paul Harris Fellow Medallions. The Rotary Shop Online is an easy to use ordering platform listing publications for districts and clubs to help support and grow their members. There is also Rotary merchandise available to show your support for all of the wonderful work that we do across the world. To view our current range of items please visit shop.rotary.org.

*Please note all prices are listed in USD and converted at the current Rotary exchange rate when purchased.

Opportunity for Club to run an RDU Supplies booth at District Conference

An opportunity exists for a Club to nominate to run an RDU supplies booth at the District Conference in Warrnambool for which they will receive 10 per cent commission on the sales.

RDU send a variety of stock including clothing in a variety of sizes. Customers can also place an order and pay for this at the booth. The order will then be sent out from the RDU office and the club will still receive commission for the sale.

RDU ask the club to pay for the postage to send back any unsold goods and to send them the receipt and bank account details and this is reimbursed to them straight away. This way the club is not out of pocket at all.

Once all stock and money is received back in the RDU office and checked off, the commission is deposited into the club's nominated account.

The commission will of course depend on the sales; RDU Supplies advises it can be between \$110 to \$330 or more depending on the number of attendees at the conference.

If you are interested in taking up this opportunity please email Marjorie - marbern@bigpond.net.au

November is Rotary Foundation Month

The Rotary Foundation - South Pacific & Philippines

The month of November is the month Rotary International dedicates to the programs and activities of the Rotary Foundation and this gives us a wonderful opportunity to focus our attention on the many great things that our foundation delivers to our world.

We take so much for granted as we enjoy our privileged life. Water streams from every one of the 16 or so taps in our houses, medical aid is just around the corner, a strong and active education system provides a future for all our children and with the exception of a few, we want for nothing. How different it is for one-third of the world's population!

Including our efforts in the area of polio eradication, your Foundation provided something like \$180 million last year to support clubs and districts in their efforts to 'do good in the world'. If you add the money supplied by clubs and districts to complete these projects we would have a conservative spend of something like \$450 million so we are not a small, insignificant organization. We are a highly relevant significant group and we should never fail to make that point with our friends.

Nothing ever comes cheap and everything The Foundation does costs money. When the money runs out so does our ability to make a difference. Clubs can take the bull by the horns and agreed to pay their TRF commitment now rather than wait until the traditional 'rush' period of June. We will get our money working sooner rather than later and that will help enormously. If all clubs in Australia could do this then The Foundation would be in a much stronger position.

We can also help as individuals. Those of us with Centurion commitments who aren't tied into a scheduled payment plan could consider paying this month. It's only \$100 per person but collectively it has the power to do so much. Those of us who haven't yet made the Centurion 'leap of faith' might give the possibility a little extra thought. That extra \$1.92 a week can make such a difference to the people depending on us for a better life.

The Rotary Foundation is your own charity and I'm just asking you to be part of it.

Bruce Allen

World of Difference Tours 2017-2018

World of Difference is pleased to confirm three exciting tours to Cambodia and Laos. If you or anyone you know is looking to get involved at an International level in something exciting and different then one of World of Difference's humanitarian adventure tours to Asia could be the perfect offering.

Over the next 9 months you have three exciting tours to choose from. Please take a moment to have a look and please pass this email onto any of your friends who you think may be interested:

-

Cambodian Humanitarian Adventure Tour

13 Days from 5th of November 2017

This tour is perfect for those who would like to roll up their sleeves and get involved in some humanitarian work. During this 13 day tour, you will visit Cambodia's spectacular tourist attractions including Angkor Wat and it's many temples, museums that capture the dark past of Cambodia during the cold war and get involved in humanitarian activities such as teaching at a school, building water filters or helping out at one of the legitimate orphanages.

Cambodian Humanitarian Family Adventure Tour

16 Days from 5th of January 2018

This Humanitarian Tour is the perfect educational life experience for families to share whether it be parents and their children or grandparents and their grandchildren. Following a similar format to our November tour, this tour will provide families with an opportunity to experience Asian culture at the grass roots, as well as enable you to change the way our children think about the world, while making a World of Difference in the lives of those less fortunate.

Laos & Cambodia

16 Days from 20th of March 2018

A unique opportunity to join our first WOD tour to Laos. We will be based at the world heritage Luang Prabang and attend the opening ceremony for the latest Rotary primary school project in the remote village of Ban Heuthan. This tour will not include the usual WOD hands on volunteering but rather will be an opportunity to experience the real Laos that is not often seen by tourists.
