

No. 69

Rotary Year 2017/2018

Date May 14

ANNOUNCEMENTS

Apologies: Tony Boyd, Carl Hurwood, Beres Martin, Neona stiles.

Guests: Fred Grundy, Joan and Neil Shephard, Peter Shephard.

Guest speaker: Peter Shephard.

Damian The Early Act club has had it's first meeting at Newport P.S. which went very well. Damian is still trying to locate our gavel and plate to pass on to Newport P.S. It was suggested the club provide badges and a banner to the Early Act club. The official launch party of the Early Act club will be on June 25th, at a time to be confirmed. Bronwyn Stephens DGE, is going to attend. The club is looking for a local project to support.

Also looking for a local project is the Luminiere school (previously Sandridge) as June 8th is their civic day, community project day for the children.

We will be supporting the tree planting day with the Altona Club on May 23rd at MAGO, park in Queen St. Altona.

Damian wanted numbers finalised for The Inner Wheels Trivia night, Saturday 19th May at the Altona Sports club @ 7pm. It looks like we have a table of 10 going.

Eddie: A reminder about the changeover night, Friday, 6th July

Yvonne: Distributed flyers for the RoCan Gala night on 23rd June at Lakeview Ballroom Lakeside Banquet and Convention Centre, Taylors Lakes.

Yvonne also thanked the club for all their well wishes during her illness and the present of a vase.

Peter Shephard was our guest speaker on Monday night, he works for Queen Victoria Market as a Trader administration Manager and spoke to us about the history of the Market and the new proposed developments.

Vocational journey of Peter, when he first left school he went to university to study accountancy, after a short while decided that was not for him and joined the work force. Worked for AMP for 8 years as a Commissions clerk then became redundant, following that worked at Blockbuster videos as a Store Manager for 12 years then was made redundant at that store was given another position and was made redundant again. Then worked in the retail department of Crown for 4 years before being made redundant again. So following this eventful work life was offered a position at QV market where he stills works today.

In its 140 years, **Queen Victoria Market** has had a colourful and sometimes controversial history. During that time, the site has been a cemetery, a livestock market and a wholesale fruit and vegetable market. Each of these operations has its own history and an element of controversy. The Queen Victoria Market was officially opened on 20 March 1878, a range of markets having operated from the site in varying forms prior to that date.

Melbourne remains a Market town with many large municipal markets including South Melbourne, Prahran and Dandenong Markets. However, Queen Victoria Market is the largest and most intact of all Melbourne's great 19th century markets.

The Age 14th May

Plans for the Queen Victoria Market will be drastically altered by Melbourne City Council, after it backed down from a battle with the state's heritage authority over its proposal to refurbish 140-year-old sheds.

The city council had wanted to temporarily remove four of the market's heritage sheds and, while they were being restored, dig three levels of underground parking and service areas for traders. But that plan was halted in March when Heritage Victoria said it could not accept assurances the sheds could be returned to the site in their original condition.

The heritage authority also rejected the council plan because its officers believed the fabric of the 19th-century market would be irreversibly altered if the project went ahead.

On Monday, council officers and acting lord mayor Arron Wood said they would go back to the drawing board with plans for the project. The council may dump altogether plans for underground services beneath market sheds A to D as it had planned.

It will spend around six months coming up with a new plan for hundreds of car parking spaces the council must provide under an agreement struck with the Victorian government in 2013.

What had been proposed?

Under that deal, the council will build a new park on the site of the current open-air car park next to the market. But in return for other state-owned land next to the market being given to it, the council must provide an equal amount of car parking elsewhere

It had relied on putting car parking underneath the refurbished heritage sheds.

The council wants to redevelop the market to ensure it provides a brighter future for the produce and retail centre – which because of apartment development on its doorsteps will have an extra 22,000 residents living nearby within half a decade.

ROCAN CORDIALLY INVITE YOU TO ATTEND THE

**ROTARY:
MAKING A
DIFFERENCE**

**If you are looking for something to get involved in with your Club
AND raise funds towards ending Polio, consider The Polio
Challenge:**

Polio Challenge

Yes, it has been a long haul and regrettably we are not quite done yet. But we are so close and we cannot give up yet!

Polio has long ceased to be a disease here in Australia but a recent discovery of the polio virus in the Melbourne sewerage system reminds us that it would be so easy for all the work we have done to be in vain if we do not finish the job.

So, here is the deal!

Run a special event to raise funds for Polio eradication in addition to your annual giving for Polio-Plus. District will match your funds raised from its DDF allocation*, which will receive a special 50% bonus allocated by The Rotary Foundation. All of that will be matched 2 to 1 by the Bill and Melinda Gates Foundation. Your club will have the satisfaction of knowing that you really helped to make a difference.

Here is an example:

Club fundraising	\$1,000
District match	\$1,000
50% DDF Bonus	\$500
Sub-total	\$2,500
Gates 2:1 match	\$5,000
Total	\$7,500

What is a special event?

Really anything you want it to be—from a Trivial Pursuit night to a movie night, to buying and selling a special batch of Rotary fruit cakes. And yes, you can direct your \$400 from Star Carnivale to Polio eradication and it will be matched one-for-one from DDF!

*** There is always an ***

District does not have unlimited DDF but will match up to \$50,000—so there is a challenge for clubs to make a difference.

If your club also makes a donation to PolioPlus as part of our annual giving to The Foundation, it will receive a 1:2 DDF match as a “thank you” for your proactive support. Donations must be banked by 31 May 2018.

Our focus is your vision

May is Macula Month

Macula Month is an opportunity for everyone in our community to get involved to reduce the incidence and impact of macular disease.

What Happens?

Macular degeneration is a disease that affects a special layer of cells in the eye called the retinal pigment epithelium. This layer of cells is underneath the retina. The retinal pigment epithelium (RPE) is like a wall or barrier and is responsible for passing oxygen, sugar and other essentials up to the retina and moving waste products down to the blood vessels underneath (these vessels are called the choroid). The RPE also acts as a barrier between the choroid and the retina.

DATE FOR THE DIARY – MY ROTARY HANDS ON WORKSHOPS – JUNE 2nd

University and Golden Square Primary in Bendigo

Two different sessions running concurrently at each of the venues:

One session for Presidents Elect, Secretary, Executive Secretary – this will feature Rotary Club Central and other aspects of My Rotary

The other session is for Public Image Club representatives and featuring for them the Brand Centre, Showcase, Ideas etc

Details will be sent out to clubs soon including who to RSVP to, in the meantime Presidents, Secretaries please share this information with the officers listed above so that they can put the date in their diaries.

AN OPPORTUNITY TO GOOD TO MISS

District Club Service Chair Yvonne is looking for a Rotarian willing to fill the role of On-To-Convention Chair for the Hamburg Convention in June 2019.

Interested in taking on this role please contact Yvonne for more details.

Phone: 0418 387 339 Email: clubservice@rotarydistrict9800.org.au

Did you know that Hamburg is the home of the largest model railway in the world - Miniatur Wunderland.

The first Rotary club of Germany.

The Rotary Club of Hamburg was chartered on February 24, 1942 in Hamburg and continues to provide service to the community through projects such as Warm the Children, which provides warm winter clothing for children in need; and funding for not-for-profit organizations such as the Hamburg Counseling Service, the Hamburg Paleontological Society's Penn Dixie Fossil Site and the Lounsbury Adaptive Ski Program. Rotary also funds a literacy program for children, provides college scholarships and mentors the next generation of community leaders through RYLA (Rotary's leadership Program) for college-age young adults and SLAPSHOT for high school students.

IMPORTANT – NEW CHILD SAFETY FORMS – A MUST READ

Presidents and secretaries last month the District Board approved a document entitled "Know Your Volunteer" which contains a new Form 3, and a brief explanatory memorandum.

This month the District Board approved "Involvement in Child and Youth Activities – advice for individuals" and "Involvement in Child and Youth Activities – advice for clubs" You can download these forms below or from the District website <http://rotarydistrict9800.org.au/policies>.

They are intended to assist volunteers and clubs in understanding what it is that they need to do, and why they should do it. A Working with Children Check is simply not enough. In the time in which these documents have been prepared there have been many discussions and debates about whether a Working with Children Check is sufficient on its own (or not). From a Rotary Club perspective, the answer is no, never. Our requirements under the code of policies from Rotary International, the obligations of the Clubs under the Working with Children Act and the Child Safety and Well-Being Act mean that a working with children check might be all that a member/volunteer requires, but will almost never be sufficient for a club that uses a member/volunteer in a youth/child activity. And that's before we get to the question of insurance. It's a requirement of our insurers that the policies of Rotary International and District be followed in order for insurance to be forthcoming. Why risk it? If you have any questions that you would like to put forward that could be included in a "frequently asked questions" section as part of the Form 3 documentation please send them to governance@rotarydistrict9800.org.au, and that form will be updated to reflect the questions.

CANCELLATION

Rotary District 9800 MODEL UNITED NATIONS ASSEMBLY (MUNA) May 25 to May 27

Dear Rotarians at clubs that arranged or tried to arrange student Registrations for MUNA,

I am writing to let you know I have taken a very tough decision to cancel the D9800 MUNA this year.

I am very sorry that this decision had to be taken. Many of the students had indicated their excitement about MUNA to me.

This decision has come about for three main reasons

The number of registered teams of two students each who had registered by Wednesday May 9 was too few. There were only 15 registered teams but MUNA needs 21 to 25 so there is a wide diversity of countries represented across the four "blocs" of countries. i.e. Western bloc, Middle East bloc, Asian bloc and Developing bloc. By comparison D9810 Rotary MUNA run last weekend had 39 or 40 teams.

I could not take registrations any later because those teams would have insufficient time (say 2 weeks from May 11 to May 25) to be properly prepared given all the other work students have to do in their lives. I have observed in the past that teams that fall into this trap are not very effective for MUNA or themselves.

MUNA with 15 teams at Camp Getaway is not financially viable. About 20 teams are needed for it to be.

Given the above I had no choice but cancel this District 9800 MUNA 2018.

However I believe MUNA next year can be made a success. I can see how MUNA can be close to a large number of schools in D9800.

MUNA can be promoted much more directly to key teachers in schools. We might get the use of an online Registration software from another district such as 9810.

Parents, teachers and Rotarians could come, watch and listen to MUNA over the 2 days. **This would raise the MUNA profile for future years.**

Students could travel daily by suburban train to and from MUNA. There would be no need to be away from home overnight. This would simplify some Working With Children matters.

Costs of overnight accommodation could be eliminated except for a small number of country students that could be billeted for 2 nights.

MUNA could be promoted on Internet social media and in D9800 area suburban papers.

Once again I am sorry for all students who have lost the MUNA opportunity this year. I have asked all students to thank their teachers if they were instrumental to get them to register.

FINALLY I thank all you Rotarians who did or tried very hard to get teams for MUNA.

I have already advised all students who Registered that MUNA is cancelled. Likewise I will advise three teachers with whom I dealt directly.

I wish everyone of you the very best. Please call me if you wish.

Newton Langford

Williamstown Literary Festival....

2018 is an exciting year for the Willy Lit Fest as we celebrate our 15th year. We look forward to bringing you some of Australia's best loved authors across a weekend that promises something for everyone.

Our theme for 2018 is **From Little Things...**, fitting for a festival that started with a small group of friends who had a little idea that's grown into one of Melbourne's best loved festivals. We'll explore the power of chance encounters. We'll play with little ideas that take hold, germinate, sprout and bloom. We'll meet poets, performers and playwrights across every genre; the steady, tenacious, unstoppable ones who don't give up until their tales are told. And, little by little, we'll discover and delight in their stories.

Special guest for this year's Official Program Launch is Willy Lit Fest favourite, **Andy Griffiths**. Andy, a world renowned children's author and current Hobsons Bay Citizen of The Year, was at the very first Festival and has remained one of our greatest supporters. We are thrilled that he can join us once again.

Light refreshments will be provided and **tickets will go on sale right after the launch!** We look forward to seeing you on Monday 14th May at 11.00am at the Williamstown Town Hall.

Please RSVP via the buttons below, or email info@willylitfest.org.au by Monday 7 May 2018.

Held over the weekend 16 & 17 June 2018 the Willy Lit Fest is the **biggest and boldest literary festival** in the western suburbs of Melbourne, and we can't wait to share this year's program with you.

Warm regards,

The Team at Willy Lit Fest

[Yes thanks, I'll be there!](#)

[No thanks, I am unable to attend.](#)

Willy Lit Fest: 16 & 17 June 2018

Saluting Monash Council

The Saluting Monash Council's objective is to achieve the posthumous promotion of General Sir John Monash GCMG KCB VD to the rank of Field Marshal by 11 November, 2018.

Dear District Governors and Secretaries of Rotary Districts across Australia,
RE: Members Statement and Petition to Legislative Assembly Victorian State Parliament.

On behalf of the Hon Tim Fischer AC and the Saluting Monash Council I thank you for Rotary's declared support and confirm that all individual Letters have been lodged with the Prime Ministers Office as promised.

For those Victorian Districts who have not submitted Letters of Support we still welcome them and assure you they will be lodged in Canberra.

We have received extremely strong endorsement for the promotion of General Sir John Monash from all segments of the Australian community including Defence Force veterans and descendants of WW1 Diggers, approximately 500 RSL sub-branches, prominent Australians and Associations, 140 plus Rotary Clubs and many parliamentarians across Parties have endorsed the promotion.

Even a former Commandant of the Royal Military Academy- Sandhurst has written, giving his support for the promotion and declared that Sir John was the "There is no doubt that General Sir John Monash is the greatest soldier that Australia has yet produced, a commander whose performance on the battlefield far outstripped the performance of the Allies other field commanders".

I write to ask for your help and co-operation on a separate initiative proposed by David Southwick MP, State Member for Caulfield. Last Friday he offered to spearhead a campaign within the Legislative Assembly of our State Parliament to solicit Members Statements of Support and the endorsement of the State Government. You will agree I am sure that it is appropriate as the government of Sir John's home state. I have just heard that he made his Members Statement in the House this morning (30th March).

I add that a similar endorsement has already been lodged in the NSW State Parliament.

As part of his campaign, David Southwick requests the lodgement of signed petitions as an indication of wide community support for the initiative. The more names the better.

I therefore ask for your assistance by soliciting signatures and contact details on the attached Petition "Support the Jerilderie Proposition" and mail completed forms to David Southwick MP, 1/193 Balaclava Road, Caulfield North Vic 3161 by Friday 20 April. Thus the call to action is urgent.

Alternatively, the petition can be downloaded from David Southwick's home page <http://www.davidsouthwick.com.au/2018/03/28/recognising-the-work-of-general-sir-john-monash/>

If you require further information or clarification please contact me on retsyngy@netspace.net.au . Also attached is a summary of issues relating to the posthumous promotion.

Kind regards, Michael Headberry

Director- Saluting Monash Council (Victoria), Chairman- Monash Pioneers Sir John Monash Project Board, 6 Sunburst Ave, North Balwyn Vic 3104, Tel 61 3 9859 2965, Mob 0414 509 540, retsyngy@netspace.net.au
