Guest Speaker

John Barry, our Chairperson for the day, introduced Jim Orchard from the Rotary Club of Melbourne who spoke on "Around the Bay in a Day". This is a non-competitive fully supported recreational cycling fundraising event organised by Bicycle Network in Victoria. Cyclists register to ride a course that is 210 kilometres (130 mi) either clockwise or anti-clockwise around Port Phillip Bay, starting and ending in Melbourne, though other distances, both shorter and longer with a 20km and 50km ride are available. The ride raises funds for the Smith Family Charity *Learning for Life* Program.

The *Learning for Life* sponsorship program recognises that disadvantaged children need extra support to stay at school and go on to further studies or employment. On average, children growing up in disadvantaged homes are two to three years behind their more advantaged peers.

The impacts of poverty are severe and far-reaching. When they start school, many children in disadvantaged families are behind in basic reading and math skills, lacking the essentials they need to fully participate in their education. Without the skills they need to keep up in class, these students can fall even further behind, making it more difficult for them to stay engaged and motivated at school. So when a student is sponsored through The Smith Family, as well as financial assistance with purchasing school essentials, the student's family is also paired with a *Learning for Life* Coordinator. The *Learning for Life* Coordinator offers students encouragement and support with their schooling; links students and their families to learning and mentoring programs in their community and helps children and young people to fully participate in their education.

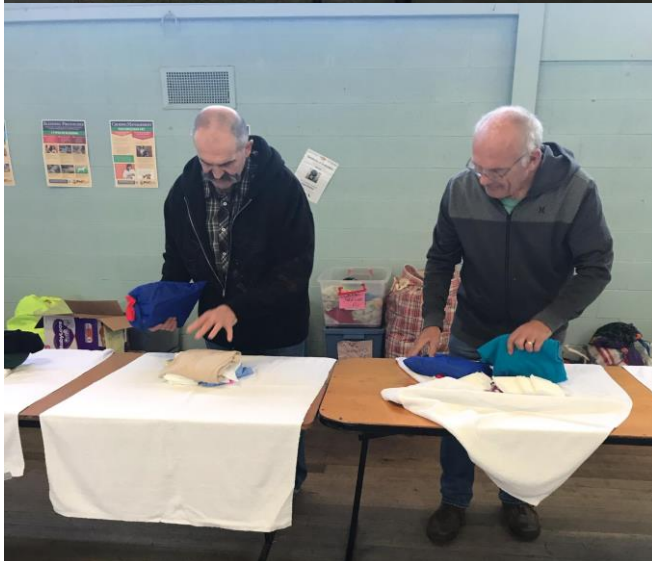

The Rotary Club of Melbourne has been involved with the ride for several years now and coordinates the 50 km ride from Albert Park across the Westgate Bridge to Williamstown and back to Albert Park, which has become the most popular leg. All funds they raise from the event go straight to the Smith Family Charity. Being involved in the event increases Rotary's profile and they are looking to expand Rotary's involvement. They have 18 marshaling positions to fill and offered them to Williamstown and Yarraville Rotary Clubs.

The funds raised by clubs do not require to be donated to the Smith Family.

The two times for marshaling are a 5.20am start and 8.00am start. A number of members have taken on the marshaling.

In 2018 there were a total of 33 cases of Wild Polio virus worldwide in 2 countries (Pakistan and Afghanistan) . Unfortunately, this year there are already 66 cases in the same two countries. Fighting on the borders in some areas and suspicion has hindered the distribution of the vaccine and administration to children. Some good news is that Nigeria hasn't had a case in nearly 3 years and is about to be declared polio free. This will mean the entire African continent will be Polio free. This is a cause for celebration.

To help support the Polio eradication efforts Rotary must ensure the efforts are continued as long as needed. We started this campaign over 30 years ago and will see it through to completion. We also need to ensure that the public know of our great efforts to eradicate Polio.

Our District is planning two events in October to raise awareness and funds for the End Polio Now campaign.

- ❖ **Polio Walk around Albert Park Lake Saturday 19 October commencing at 10am.** Please join us for a 5km walk, quick or slow, all the way or part of the way. Everyone is welcome. Red End Polio Now t-shirts will be available to wear. We hope to have a few hundred Rotarians joining the walk. What an impact we will have.

Register now via <https://rotarywalk.raisely.com> and please visit our **Facebook page** for updates: <https://www.facebook.com/events/2636333173044049/>

- ❖ **Polio Train Ride Thursday 24 October (World Polio Day)** – This event will see Rotarians, family & friends leaving from train stations across our District (Bendigo, Brighton, Werribee and Caulfield) with the aim to meet at Federation Square Melbourne at 2.30 pm. DG Grant Hocking has invited the other 4 Victorian Rotary Districts to join us in this adventure. If hundreds attend think of the impact, we will make. Meet us at the stations on the way or join us on the train for the trip to Fed Square.

The goal is to receive club and individual Donations prior to, or on the day. Donations can be made at the train stations. Our motto is ***'It's the end of the line for Polio'***.

With your continued support poliomyelitis will be eradicated from the world.

More details of these two events will be available soon.

Gimme 5 Campaign

Here's an explanation.

The goal is to have every D9800 Rotarian give a personal \$5 donation to The Rotary Foundation (TRF) this year.

Most Rotarians don't donate to The Rotary Foundation and this needs to change. Rotarians already donating money each year should keep doing it and know that it is appreciated.

It is our charity and helps fund all the wonderful projects of Rotary and Rotary clubs locally and globally.

- 95% goes directly to great projects.
- Rated highest rating by charity navigator for 11 consecutive years.
- It is tax deductible.

There are three ways to donate:

If you are on My Rotary (RI website) then click here and follow this link: <https://my.rotary.org/en/donate>

If you would prefer to electronically transfer funds here are the details:

BSB: 332-084

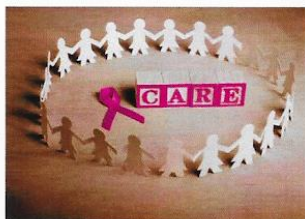

Account Number: 551038195

Account Name: The Australian Rotary Foundation Trust

When you transfer funds please email the Parramatta office: risppo@rotary.org and put in the description box the name of the club e.g "PARRAMATTA18077". Omit the club number if unsure and omit the word "Rotary Club of" because we can only see limited characters.

If you would prefer to ring and pay with a credit card over the phone, please ring the Parramatta office on **02-8894-9800** and the donation will be processed.

It would be wonderful if you could give more than \$5.00 - imagine how much good that money could do!!

Supporting the

RoCan Cancer Wellness Centre

Funds raised will support the planned Cancer Wellness Centre for Men & Women in the Wyndham Shire to facilitate patients and families receiving treatment at the Mercy and St Vincents Hospitals

The Cancer Wellness Centre will provide services such as Yoga, Music Room, Legal and Financial advice, a men's shed and many other services

RoCan now owns the land in the Riverwalk Estate Werribee to build this facility and to date we have raised in excess of \$550,000 towards this project but will need much more to bring it to fruition.

The facility when built will be providing accommodation to families that cannot afford to stay in the City due to the high cost of cancer treatment.

We have all been touched in some way and by the effects of Cancer.

Together we can make a difference

Your support of the Golf Day is appreciated as these events rely heavily on sponsorship and participation and our club is seeking the assistance of your organization in supporting this event.

Please help raise funds to complete this essential project by either joining us on the day, sponsoring a hole or by making a donation.

Enclosed is a Registration Form and Sponsorship document.
