Alana Nguyen whom we are sponsoring is at the RYLA Camp in Mount Evelyn from 2nd to 7th December. She wants to visit the Club next year to speak about her experience.

Guest speaker – Abbey O’mahony

Represented Australia in World Lacrosse Women’s U19 World Championship in Canada. The team won Bronze. 22 countries were featured including nine that were competing for the first time. US won Gold and Canada won Silver.

Abbey was very appreciative of our donation of \$500. As Lacrosse is not a recognized sport in Australia, it was necessary for her to participate in much fundraising. Very physically and mentally demanding game. A lot of training was involved but it was all worth it.

Her journey began in 2017, a two-year campaign. She was going into Year 12 when she tried out for the team. 120 girls started out which was eventually culled to 20 after successive training camps in Melbourne, Perth and Adelaide. Camp was an amazing opportunity to meet girls from all over Australia. She was also studying at the same time so quickly had to learn how to balance different workloads and gaining life skills. Not only were the girls’ performances assessed at camps but also their interaction with team members, coaches and their ability to handle stress.

In Dec 2018 Abbey was told she had made the team. She was thrilled, however her workload got progressively higher. She was often pushed to her limits. More team building strategies came into place. She graduated in 2018 but chose to defer her degree at university in speech pathology as needed to fundraise and prepare for the Championship.

The team trained in Baltimore, Maryland at Loyola University. They learnt so much on and off the field together and really grew as a team. Abbey met so many players from all over the world. To share the love of lacrosse with all these other teams was awesome. Their major sponsor was Under Armour Sports Wear who gave them clothing apparel, etc.

Lacrosse is big in Canada and the US. In Canada it is the No. 1 sport. They all had the opportunity to watch a professional women’s team in Maryland at competition level. The World Cup was held in Peterborough outside Toronto, Ontario in August. During the tournament she saw the much of the US and after the competition took the chance to backpack in Europe. It was good to relax after a heavy two-year workload.

She is presently working at Croxton Special School in Brunswick, teaching lacrosse to children with special needs. In Feb 2020 she will begin her degree at ACU University in speech pathology. The whole experience opened many doors and helped in her own self-development.

Damien presents Abbey with Club plaque, Abbey shows her Bronze medal, Australian supporters at the World Cup, and Australia winning against England for the Bronze.

District AGM

Thanks to all the clubs who attended or had proxy representation at the recent **District AGM on Thursday 14th November**. The AGM went smoothly and all business was concluded successfully. This included a **wonderful report by IPDG Bronwyn Stephens** for the 2018-19 Rotary year which received unanimous support and applause from those present. Minutes have been sent to all Clubs via the President and Secretary newsletter.

A celebration of the Rotary Foundation Dinner on 13th November 2019 at Kooyong

Rotarians, family and friends were out in force to meet PRIP K.R. 'Ravi' Ravindran and hear about the amazing work being done throughout the world with the aid of The Rotary Foundation. All five Victorian Rotary Districts were represented with a 195 people attending. We also heard from some districts about a Foundation project which included our wonderful record with the Peace fellow program by Rob Helme. D9800 is the only district in the world who has had a successful candidate in every year of the program including 4 this year.

As we come towards the Festive Season it is a time for reflection and making new plans. Thank you for your support this year and helping us to maintain Rotary as the world foremost service organisation. As lovely as the holidays can be, they can also be a difficult time of year. It's a great time for friends and family to come together and I know your will support others as you support each other in our Rotary family.

Melissa and I would like to thank you for all your support this year wish you an incredible holiday season, and a new year full of health, happiness and prosperity.

Wanted!

A Centenary Logo

In 2021 Rotary celebrates 100 years of service in Australia and New Zealand and we need a powerful, engaging logo to help build our story.

A competition has been launched to help make an impact. What creativity can you conjure that captures the heart and soul of our centenary?

Separate designs for both New Zealand and Australia will be welcome. Or a design that covers both countries—a design that enhances Rotary's broader branding.

Everyone is welcome to enter—Rotarians, professionals, friends and family. And your story will be an important part of the logo's launch. We are tapping into the passion and energy of volunteers who will be rewarded simply with a heart-felt thanks acknowledged by Rotary leaders. Your story will be part of our centenary story.

The competition is now open and closes on 15 December. This is your chance to make a mark on history!

For more information contact Rotary Melbourne R100 Team Leader Hugh Bucknell on: hbucknal@bigpond.net.au 9819 3309 or visit <http://www.rotary100downunder.com>.

Gimme 5 Campaign

Here's an explanation.

The goal is to have every D9800 Rotarian give a personal \$5 donation to The Rotary Foundation (TRF) this year.

Most Rotarians don't donate to The Rotary Foundation and this needs to change.

Rotarians already donating money each year should keep doing it and know that it is appreciated.

It is our charity and helps fund all the wonderful projects of Rotary and Rotary clubs locally and globally.

- 95% goes directly to great projects.
- Rated highest rating by charity navigator for 11 consecutive years.
- It is tax deductible.

There are three ways to donate:

If you are on My Rotary (RI website) the click here and follow this link: <https://my.rotary.org/en/donate>

If you would prefer to electronically transfer funds here are the details:

BSB: 332-084

Account Number: 551038195

Account Name: The Australian Rotary Foundation Trust

When you transfer funds please email the Parramatta office: risppo@rotary.org and put in the description box the name of the club e.g "PARRAMATTA18077". Omit the club number if unsure and omit the word "Rotary Club of" because we can only see limited characters.

If you would prefer to ring and pay with a credit card over the phone, please ring the Parramatta office on **02-8894-9800** and the donation will be processed.

It would be wonderful if you could give more than \$5.00 - imagine how much good that money could do!!

An elderly man in Melbourne phones his son Michael in Sydney a week before Christmas and says: "Your mother and I are divorcing. After 40 years we can't stand each other anymore." Michael is devastated and phones his sister Sue in Perth to tell her the bad news. Sue is horrified and phones her father immediately and shouts at him. "No way. You're not getting divorced. Stay there. Michael and I are coming straight home to help you sort this out." The elderly man hangs up, smiles and turns to his wife whom he's loved all his life. "It worked like a dream. They're both coming home for Christmas and they're paying their own fares."

2020 DISTRICT 9800 CONFERENCE MESSAGE FROM DG GRANT & MELISSA

Rotary
District 9800

Hi Rotarians

Our District 9800 Conference is fast approaching and what a great experience we have planned for Rotarians from all walks of life.

Situated in beautiful Bendigo, the geographical centre of our great State of Victoria, you'll experience the city's renowned cultural and architectural heritage born from the lucrative goldfields of the 1800s that's become a destination of choice for thousands of visitors and "tree changers" in recent years.

This rapidly growing and prosperous regional city is home to six of our clubs: Bendigo, Bendigo South, Bendigo Sandhurst, Bendigo Strathdale, Eaglehawk and Kangaroo Flat. Each of these clubs are excited to welcome you and host you across our three-day conference from 27-29 March 2020.

Living in and working from Woodend, we appreciate the connection and contribution central Victoria makes to our regional and metropolitan communities. Our District 9800 communities embody the vision of Rotary and we're fortunate to uniquely connect to each of our 65 clubs, their members and activities. After all, that's Rotary to a tee – connected and collaborative - key themes of our District 9800 Conference in Bendigo next March.

Our conference is not just another Rotary Conference. We have planned an experience with a difference. One that connects us through conversation and collaboration. Most of all, a conference where we can celebrate the accomplishments across District 9800.

The internationally renowned Ulumbarra Theatre will be our home to the conference, and the historic and ornate Bendigo Town Hall will host our welcome registration event along with a Welcome to Country and Smoking Ceremony by our nation's First Peoples the Dja Dja Wurrung Clan.

We have 65 clubs in our district ... from Brighton to Bendigo. That's a lot of Rotarians! Melissa and I encourage you all to come together and represent your club in Bendigo next year.

We are delighted to share with you a snippet of speakers we've engaged who will not only inspire you but will demonstrate how "Rotary Connects the World".

To ensure our conference is a success, please register soon by booking online

<https://www.trybooking.com/book/event?eid=520299>. Don't forget early bird discounted registrations end 30 November. Keep up to date <https://rotarydistrict9800.org.au/sitepage/conference2020>.

See you in Bendigo!

Michelle Scott Tucker, Author & Motivator

"...behind every great man there had to be a great woman." – *Eurythmics*.

Behind many of our great Rotarians there has been and still are many great women.

Michelle Scott Tucker shines a light on an often-overlooked aspect of Australia's history in this fascinating story of a remarkable woman, Elizabeth Macarthur.

In 1788 a young gentlewoman, Elizabeth raised in the vicarage of an English village married a handsome, haughty and penniless army officer, John. In any Austen novel that would be the end of the story, but for the real-life woman who became an Australian farming entrepreneur, it was just the beginning.

John Macarthur took credit for establishing the Australian wool industry and would feature on the two-dollar note, but it was practically Elizabeth who managed their holdings—while dealing with the results of John's manias: duels, quarrels, court cases, a military coup, long absences overseas, grandiose construction projects and, finally, his descent into certified insanity.

Author and businesswoman, Michelle Scott Tucker lives on a small farm in regional Victoria with her husband and children. Elizabeth Macarthur is her first book.

"Tucker's great achievement is to have scraped back the familiar historical material to uncover a fresh and compelling portrait of Elizabeth Macarthur in her own words and the words of those who knew her." - Australian

Ro Allen, Victorian Commissioner for Gender and Sexuality

Rotary District 9800 is committed to inclusion, equity and diversity. What's that exactly?

Diversity refers to inclusion of people from many groups. It is a source of innovation, as well as one of Rotary's core values. Having members with different backgrounds and viewpoints gives your club a broader understanding of the community, its problems, and possible solutions.

As Victoria's first Commissioner for Gender and Sexuality, Ro Allen is a leader and advocate in lesbian, gay, bisexual, transgender, queer and alternative policies.

Gender and sexuality can be challenging topics for a variety of reasons. A person of faith, Ro's background and perspectives are a unique link to our recently established Rotary District 9800 Diversity, Equity and Inclusion Committee.

Ro will guide us through the often-complex topics of gender and sexuality, so your club is better positioned to create a culture of inclusion, where differences are respected, supported, and valued.

Find out more about Ro's work here <https://www.vic.gov.au/ourgbtiq-equality>

Forbes magazine rated him the #5 social media influencer in the world (and #1 in Australia) in his area of expertise.

Did you miss out on the special early bird ticket prices for the District Conference?

Never fear, we've released a special allocation of tickets for the month of December for just \$325 (only \$25 more than the early bird prices!) but make sure you get in before the end of the year, because once the clock strikes midnight on NYE - the tickets will go up to full price!

It will be a fantastic weekend filled with interesting guest speakers and a chance to network. The Marketplace is where you will gather Rotary information and this is the place to hear about projects. You can also enjoy the hospitality of Bendigo and spend time in this wonderful regional centre.

There once was a czar in Russia called Rudolph the Red. He was standing in his winter palace one day with his gorgeous young obstinate wife when he looked out the window and saw something falling from the sky. "Look, my darling. It's the first rain of the season."

The Czarina looked out of the window and said, "I do not think so. It looks to me like it is snowing."

"No, my dear, the Czar insisted. "I, Rudolph, say it is raining."

Don't be silly, the Czarina said. "It is obviously snowing."

Rudolph called for his wife's favourite courtier and a gilded bucket and ordered the woman to stand outside until the bucket was full of whatever it was falling from the sky. An hour later, she returned with a bucketful of rainwater.

"You see, my darling?" Czar Rudolph said to his wife. "I knew it was raining. Rudolph the Red knows rain, dear!"
