FELLOWSHIP MONTH

Rotary Club of Williamstown  Zoom Meeting
15th June 2020

President's Report

Welcome everyone, especially to Irena and Nikolina, (Daniel's wife and daughter), Paul, Des, and our guest speaker, Ken Maxfield.

- Foundation Grants. Thursday night 18 June, last session.
- District Changeover on 27 June, 1 to 3pm. Jo, Murray and Eddie attending so far.
- Final board meeting of this Rotary year on Thursday 25 June. Will be at Eddie's home, 19 Little Osborne St. Agenda and notes will be sent tonight.

- Face to face meetings. We could return at any time. Up to the Club. Next week we have Special General Meeting. Following week we have a guest speaker. Maybe July. Des will make time to come to Williamstown when face to face resume. Maybe once a month have a zoom meeting as an alternative.

Murray.

- June is Rotary Fellowship month. Time of changeovers, time to think about Rotary friends, also a reminder that there are all sorts of International Fellowships in Rotary that anyone can join if you have a particular interest (see list in bulletin). Many of the groups go to International conventions. See Bulletin for further Fellowship information.
- Most of you may not have heard of Sir Clem Renouf, 99 years old, who died last Friday. He was the second Australian to be World President of Rotary (1978-79). Born two days prior to Rotary opening in Australia, it was hoped he'd still be around for the Centenary. Clem got the idea whether polio could be eradicated in the world. As a pioneer in this work, he was able to influence others to get on with the job. Some years ago, the ABC did a video of his life and we can view this at one of our meetings. He was a giant in the world of Rotary.
- Grants seminar on the weekend – had 90 participants representing 55 clubs. Second one on Thursday evening.
- As year drawing to a close, encourage everyone to sign up to EREY contribution. Last year was 100%.
- Rotary International President, Mark Maloney talking on Saturday 20 June via zoom.
- District Changeover on 27 June – be good to see many people registering.

Another remarkable Rotarian is Ken Maxfield who is going to talk to us tonight about Camp Getaway at Axedale. It is also the story of Mr Camp Getaway. Ken has done so much and helped so many and the camp is well used. It was his vision that set up the camp in many ways. Been working on it for 20 years and still coordinates the bookings and continues to be a Board member.

Ken has been a member of five Rotary Clubs, President of two, most recently Yea (2016). Last year, our district nominated him to be Rotarian of the year. I had my leadership team meet up there one weekend at Camp Getaway and Ken came along. He and his mates got me to work up there on one occasion moving some dirt.

Had the pleasure of presenting Ken with Paul Harris recognition when I was a Governor. I was there last year when he was awarded Rotarian of the Year. Also been to Ken's house and inspected his car collection. He's very proud of his vintage cars and restoring them.

Guest speaker - Ken Maxfield

It's been a number of years since Ken spoke to Williamstown Rotary Club. He was inducted into Rotary the year Clem Renouf was World President. Had great start in the Rotary world. WRC have been very much involved. Des, one of WRC's two past district governors, helped to do some of the electrical work at the Camp. Yvonne used the camp to organise some get-togethers for the Club and was a stalwart of Camp Getaway. And Murray turned the first sod for the new kitchen completed two years ago.

Ken's light bulb moment came in 1997 when he became aware there were no camps specifically built for young people with special needs and disabilities. Tried to find a spot where this could happen. Fell short by about \$1m. Being a Rotarian he knew where to go and he went to his friend, incoming DG Vance Hilton, whom he'd known a long time. Vance was enthusiastic. During his pre-Governor visits to Bendigo area Vince was speaking to the Rotary Club of Bendigo who had a youth camp at Axedale but they had difficulty keeping it running financially and physically. Gary Gunnell, President that year got the board together and decided as a district project, they would hand the youth camp to D9800 and some money to start a building. Camp Millennium as it was known then was launched at the District Conference in Canberra in March 2000.

The camp was set up then to cater for those of all abilities and mobility, to provide a meeting place for support groups, and offers those who need it most a sanctuary away from their daily struggles. It was initially opened in 1948 with the plan to provide recreational facilities for the needy children following the 2nd World War, the first guests were however a party of Young Farmers. By 1963 over 1600 young people were using the camp each year.

During 1968-69 a new dining hall was added at a total cost of \$8700 with \$4300 coming from a Government Grant. At this time the cost to attend a weekend at the camp was 25 cents per person. It was around 1971 when power, phone and a septic system were made available to the camp.

A few decades on, the camp has undergone a number of changes thanks to Rotarians and volunteers from the District 9800. The camp now includes two 30-bed dormitories and cabins with beds and wheelchair access. Main building has been done up including a hall and dining area and a brand new state of the art commercial kitchen. It's all been done with 90% volunteer labour. Kitchen worth about \$300,000. Built and raised funds to build. Recently, solar added. New pump donated. \$12,000.

Ken has been involved with two schools who have students with special needs and was able to organise sponsorship to provide holidays for the children, most had not had a holiday before. RC North Balwyn would come up and help to cook, wash dishes and serve meals to children, teachers and carers. Been able to continue on sponsoring these children. One family uses the camp every Easter and has also booked for next three years for their extended family and offered their help. Through the Rotary Downunder magazine, Ken came across a group called Shine On Kids, who look after children with one or two parents who are incarcerated. He raised the funds through Rotary Clubs and gave them a 5-day holiday. It was their first time away from home. At the end of the stay they did not want to depart.

There have been many wonderful people who have helped. Many people in Bendigo area have donated time and funding. Employed a couple as fulltime managers. They do the catering, cleaning, been wonderful for running of the camp.

Income now levelling out as much as expenses. The tennis courts will be done up with the help of a grant from RC Balwyn. There is a 9-hole mini golf course, and an oval for cricket pitch. There is also an outdoor chapel, weddings and birthday events held here. Different church group and schools use the place.

Those who haven't been to Camp Getaway are encouraged to join with another Club to participate in a working bee. Most of the working bees have been maintenance and gardening but also cleaning of mattresses. Have high quality hospital mattresses, bedding not supplied.

Bookings before COVID19 had been mostly full until rest of year. About to restart from 22 June.

Ken will follow up with dates for future working bees for our Club to be involved in.

District 9800 Rotarian of the Year 2019

On 11 August 2019 members from the Rotary Club of Flemington Kensington ventured to Camp Getaway for a special presentation. Joining District Governor Grant Hocking and members of the

District Support Team, Lesley McCarthy and Olga Hilton presented the framed Vance Hilton tie to Ken Maxfield for display at the camp.

During his District Governor's year, Vance made the refurbishment and improvement of Camp Getaway his project. After the District Assembly at Bendigo that year, attendees travelled to the camp and all the Presidents planted a tree lining the entrance driveway.

When should Rotary Clubs recommence face to face meetings:

DG Grant Hocking:

"Although recently there has been a slight easing of the restrictions, there is a real need to proceed with caution in recommencing face to face meetings. Please consider the following:

- ❑ If any flu like symptoms present, do not attend.
- ❑ Leave meeting if flu like symptoms develop & seek medical attention
- ❑ Have the current Flu vaccination before meeting face to face
- ❑ Maintain social distancing, hand sanitation and other healthy habits
- ❑ Ensure alcohol based hand sanitizer available at venue
- ❑ Keep names and contact details of all those attending
- ❑ Avoid buffet style meals and ensure individual serving and utensils
- ❑ Ensure regular cleaning and disinfecting of rooms and toilets
- ❑ Minimize congestion

Minimization of unnecessary exposure and risk mitigation will lessen the risk of cross infection and will need to be maintained for many months to come."

Paul Harris: *'The world is a changing place and we must change with it. The story of Rotary will need to be written again and again.'*

Find a Rotary Fellowship that's right for you

Want to make friends around the world, explore a hobby or profession, and enhance your Rotary experience? Join a Rotary Fellowship! Rotary Fellowships are international groups of Rotary members, their family members, program participants, alumni, and even non-members who share a common passion.

From bowlers to jazz fans, scuba divers to history enthusiasts, photographers to lawyers, there's a Rotary Fellowship for everyone. Currently, about 91 fellowships unite members in fun and friendship.

This month, we're celebrating Rotary Fellowships Month. If you're not already part of a fellowship, it's a great time to learn [why you should join one](#). Look at a [complete list of fellowships](#) and [watch a video](#) highlighting just a few of them.

Rotary Fellowships in action

Rotarian Doctors Fellowship brings together health workers online

Many members of the Rotarian Doctors Fellowship are on the front lines of the battle against COVID-19. To show support and share ideas, the group held two online discussions, which brought together almost three dozen members and guests from different parts of the world.

During the first meeting, members from countries including Canada, India, Malaysia, Mexico, Nigeria, Uganda, the United Kingdom, and the United States talked about their experiences. Many members were struggling with shortages of personal protective equipment and other inadequate supplies. Some also mentioned a social stigma and hostile responses to COVID-19 patients. The second discussion focused on two topics: end-of-life care and the challenges of providing maternity care during the pandemic.

Fellow Rotarians,

Invitation to become a Donor to the Rotary Foundation

The Rotary Foundation (TRF) is Rotary International's charity and the charity of choice for many Rotarians. Since its formation in 1917, our Foundation has been *"doing good in the world"* by spending more than US\$4.5 billion on humanitarian aid & education programs.

Most Australians give to at least three charities each year. We are asking all Rotarians to consider making regular contributions to our charity as part of their regular giving. Contributions to TRF are tax deductible.

Our Foundation supports Peace Fellows, Postgraduate Scholars, Vocational Training Teams, the End Polio program and six critical causes:

There are several ways you can support the Rotary Foundation:

- **Every Rotarian Every Year** – Donate any amount per year
- **Centurion Program** - \$100 per year or \$25 per quarter
- **Paul Harris Society** – US\$1000 per year or approximately AUD\$140 per month
- **Benefactor** – Leave US\$1000+ in your will
- **Bequest Society** – Leave US\$10,000 in your will
- Ensure that your club makes an annual donation to the **Annual Fund and Polio Plus**.

To make an online donation, simply click on this link: <https://my.rotary.org/en/donate>.

Alternatively, please complete the attached form and post it to the **Australian Rotary Foundation Trust, PO Box 1415, Parramatta NSW 2124**.

THANK YOU for making the Rotary Foundation one of your charities of choice.

We want your help to shape the next 100 years of Rotary in Australia, New Zealand and the Pacific.

It is a very exciting time to be a Rotarian in our part of the world. With the celebration of 100 years of Rotary and the Melbourne International Convention in 2023 we have a once in a generation opportunity to showcase our impact as people of action.

Whilst we celebrate our longevity and success as a service organisation, we need to also ensure we are well placed to be relevant, compelling and impactful into the next 100 years.

Rotary is great in many ways, and we must keep doing the things that make us who we are – our values, our vision, our passion for helping others.

However we cannot ignore the data:

- For many years we have seen a year on year decline in membership across our region, and a rising age profile – 24% drop in membership in the last 10 years, the average age in our clubs is over 60. Of the 50% of ages reported in My Rotary, 37.3% are over 60.
- We lose the majority of members who leave within their first 3 years of joining, so we are not engaging them well or not meeting expectations. In many cases we are not reflecting the make up of our communities and we have some difficulty attracting younger members. We hear that cost and time are barriers to joining.
- Many clubs struggle to get members to take on leadership roles, often because these are seen as too onerous.
- Global and local research has shown that the Rotary brand is highly respected but not very visible. We do not have a single Rotary voice in our region that not only identifies us but also enables others to easily connect.
- We have few national partners or sponsors

We want your help on how best to capitalise on these opportunities and take us into the next 100 years.

>> What we are aiming to do

The District Governors of 2018-19 petitioned the RI Board to develop a proposed pilot structure for Rotary in Australia, New Zealand and the Pacific.

The purpose:

To develop a possible structure for our region that will help us be relevant for our members, contemporary, and flexible. We want a structure that will support Rotary clubs for service and growth, and enable us to take a coordinated and efficient regional approach to strategy, leadership, learning and development, public image, and local Rotary entities and programs. We want it to help support change while retaining the best of the existing. And we must also recognise our different cultures – we are 14 countries.

The scope:

To develop a pilot **regional** structure to support clubs – RI is out of scope, individual club structures are out of scope. In other words – what sort of regional structure will best serve our clubs?

A representative Planning Group and five Working Groups have been developing objectives to describe what we want to achieve/deliver from a regional structure. We do not yet have a defined structure.
